With a view to enable this Ministry to take over the staff employed on the above subjects in the Central Departments of the merged states consequent on the extension of the scheme of the Federal financial Integration to those areas, it is requested that the following details in respect of each member of the staff (Permanent and temporary separately) employed on the subjects with which this Ministry is concerned may be furnished immediately:-

(1) Name of the Government servant:

P.T.O.

(5) Whether exclusively employed on the subjects which are to be taken over by the Commerce Ministry. If not, other subjects on which he is being employed may be stated.

So far as minor ports are concerned, the Merchant Shipping Laws are administered in the States by the State Government officers who act as Agents of the Central Government for the purpose. Similarly, the Companies Act in the States is at present administered by the State Governments acting as Agents of the Central Government. It is proposed to have the same arrangements in the merged states concerned in so far as administration of Merchant Shipping Laws and Companies Act are concerned.

4. In case, the officers and the staff concerned are found surplus to the requirements of the Central Government, it may please be stated whether your Government will be in a position to absorb them elsewhere. RECD. FROM SECRETARY TO GOVERNMENT

DEVELOPMENT DEPT.

There was no separate staff for any of the subjects referred to in the Government of India's letter No. 39 Coordin.(1)50 - dated the 4th November 1950 in the former Pudukottai State. No laws were in force in Pudukottai State prior to merger for maritime shipping and navigation, Light houses and Light ships and export and import Control (except for rationed articles, cloth, fuel etc.). There was a separate Act there for insurance matters and the Indian Companies Act was followed in respect of Joint stock Companies. In respect of these subjects, it is reported, that there was not much of correspondence work in the then Darbar Office and that only a clerk was attending to those papers. It cannot now be said who was in charge of these subjects at the time of merger. There was no merchant shipping laws in the defunct state.

2. However, in respect of the joint stock companies in the State, one Sri S.A. Subramania Ayyar, now, Deputy Panchayat Officer, Pudukottai was an inspector and he was designated as Inspector of Panchayats and Joint stock companies. He was attending to Panchayat work and was working under the supervision of the District Registrar who was also the registrar of Joint Stock companies. One Sri V.Viswanatha Ayyar, now an upper Division Clerk in the Office of the Assistant registrar of Joint stock companies, Tiruchi was the then Head Clerk of the District Registrar's Office Pudukottai and he has attending to the papers relating to the Joint Stock companies. I furnish in the accompanying statement the particulars called for in the Government Of India's letter in respect of these two persons.
